WESTERN DIV. DAYTON

ORDER

The United States has submitted an application pursuant to 18 U.S.C. § 2705(b), requesting that the Court issue an Order commanding AT&T, an electronic communication service provider and/or a remote computing service, not to notify any person (including the subscribers and customers of the account(s) listed in the search warrant) of the existence of the attached search warrant until further order of the Court.

The Court determines that there is reason to believe that notification of the existence of the attached search warrant will seriously jeopardize the investigation or unduly delay a trial, including by: giving targets an opportunity to flee, destroy or tamper with evidence, change patterns of behavior, intimidate potential witnesses, or endanger the life or physical safety of an individual. *See* 18 U.S.C. § 2705(b).

IT IS THEREFORE ORDERED under 18 U.S.C. § 2705(b) that AT&T shall not disclose the existence of the attached search warrant, or this Order of the Court, to the listed subscriber or to any other person, unless and until otherwise authorized to do so by the Court, except that AT&T may disclose the attached search warrant to an attorney for AT&T for the purpose of receiving legal advice.

IT IS FURTHER ORDERED that the application and this Order are sealed until
otherwise ordered by the Court.
